I lost 23 pounds in 30 days... ...without starving myself!
-Pharmacist Dick Wieser
Daly City, California

Pharmacist Dick Wieser, owner of the Skyline Plaza Pharmacy in Daly City, expresses his opinion on the NaturSlim Weight Control Program:
"As a pharmacist for over 23 years I have seen many weight loss products come and go. NONE have ever produced the interest and results that NaturSlim has."

After seeing the successful results many of his customers had with the program, Dick decided to try it.

"I followed the program, taking NaturSlim twice a day in juice or lowfat milk and ate a normal dinner—even including potatoes! I did not have to count calories or limit my portions either. After 30 days I had lost a total of 23 pounds—painlessly and effortlessly. I feel ten years younger!"

NaturSlim is a nutritionally sound, delicious and easy-to-follow program. It does not require special exercising, drugs or shots of any kind. And unlike many dieting programs NaturSlim does not call for complete isolation from the foods you enjoy.

"Being a pharmacist I have the responsibility to provide my customers with the very best products—NaturSlim is! I would recommend NaturSlim to anyone with a minimum amount of will power. It's the easiest and safest way to lose weight that I know of today!"
